ABOUT US

We are one of the leading organizations engaged in manufacturing, trading and exporting a wide assortment of yoga and meditation products and provide some of the finest quality products to our customers, meeting with all their requirements efficiently and effectively. Our core capability is to provide a collection in advance patterns and variety of colors with the help of our dedicated team of specialised designers and skilled craftsmen.

WHY US?

With experience of more than a decade and the ceaseless efforts of every individual associated with the company, we have been able to create a respectable niche for ourselves in this market successfully. Understanding that the industry is ever growing and competitive, we provide constant training to our professionals to remain updated about the new developments and advancements emerging with time.

We strive to perform better with each passing day and create new avenues for the betterment and advancement of our highly valued customers and the industry.

WHY ORGANIC?

Cotton from controlled organic farming is grown according to established standards. Controlled organic farming prohibits the use of toxic and non-degradable synthetic chemical pesticides and fertilizers to prevent pollution of the soil and ground water and prohibits the use of genetically modified organisms.

Use of organic cotton is a step towards giving back to the nature and the society and providing products that are safe to use. We, at our Company, believe in contributing towards the protection and promotion of the environment.

ABOUT GOTS

The Global Organic Textile Standard (GOTS) is recognised as the world's leading processing standard for textiles made from organic fibres. It defines high-level environmental criteria along the entire organic textiles supply chain and requires compliance with social criteria as well. GOTS takes into account the entire production chain, from raw material extraction on organic cotton fields to packaging. Every stage of processing focuses on environmentally friendly processes, health-compatible materials and social standards.

WHY GOTS?

The key to a successful business is a happy and a satisfied worker. GOTS ensures adherence of the basic social standards like fair wages, labor protection, prohibition of child labor, forced labor, ill-treatment and discrimination. This provides safety and security to the workers which in turn makes them satisfied on the job, which is reflected in their fine craftsmanship and high quality product.

We consider being GOTS certified as a privilege. It grants a credible assurance for the integrity of GOTS certified textiles and helps us to contribute towards environment protection as well as high quality and safe products.
